PRESIDENT EDWARD P. JONES IN THE CITY OF NASHVILLE

National Charter to Fill Local Pulpits Sunday will
go from City of Opportunity to Nation's Capital.

NASHVILLE BOYS REACH CAMP. Pleasant, Profitable and Pleasant Journey of Tennessee's Drafted Men.

(With the Tennessee Drafted Men at Camp Meade.)
Nov. 1.—(Special to the Nashville Globe.)—With soldierly bearing, backed up by real patriotism, the Tennessee drafted men arrived in camp at ten-thirty o'clock Wednesday night. The Nashville portion numbered one hundred fifty-one. It was the same delegation that left Nashville in three sections on Monday night, the 29th. Every member of the company was in the highest of spirits and was ready to begin real practice drills for trench warfare in this or any other country. Throughout the journey they were given every possible attention. Tourist sleepers were furnished with special meals. In addition to this, each man was provided with special meal tickets. Arriving here in three sections it was naturally expected that some delays would be reported. The first installment was due at six o'clock Wednesday morning, but because of the heavy traffic and many special trains from every section of the southern division, they were detained and delayed until after ten o'clock. Every Tennessee who was present at the Union Station when the rolling send-off and his demonstration were given feels grateful to the citizens for their interest in them. The boxes of lunch prepared by the ladies were prized to the highest and the men commented along the journey of just how dear home was to them. It is noticeable fact that the Nashville boys have made a much better showing in their beginning than those from any other

Announcement that President E. P. Jones of the National Baptist Convention will be in Nashville Sunday morning at the eleven o'clock hour at the Mt. Olive Baptist Church, Rev. C. H. Clark, D. D., pastor, and at 8:00 at the Second Baptist Church, corner Stevenson and Deluge streets, Dr. D. D. pastor.

The coming of president Jones at this time is regarded by the Baptist people as quite significant. He will confer with Rev. Henry Allen Boyd, fifth Secretary of the Sunday School Congress Movement after which Rev. H. A. Boyd will join him and they will proceed to Bowling Green, Ky., where a meeting will be held Monday night at the State Street Baptist Church of which Rev. Dr. D. D. is pastor. From Bowling Green they will go to Louisville for a brief stop. On Tuesday night they will speak at the Antioch Baptist Church of Cincinnati, Ohio, where another big meeting is planned. On Wednesday night they make Columbus, Ohio, where at the Mt. Zion Church of which Rev. Davis is pastor, another meeting will be held and where they will be joined by Rev. E. W. Moore, D. D., the vice-chairman of the Foreign Mission Board. From Columbus they proceed to Pittsburgh, Pa., where on Thursday night at the Good Hope Baptist Church, of which Rev. T. H. C. Messer is pastor, an over-flowing mass meeting will be held. Here they will be joined by Rev. J. C. Austin, from Pittsburgh they go to Philadelphia, Pa., the guest of Rev. W. T. Hall, the Vice President of the National Baptist Convention, and then on to Washington, D. C., where President Jones has called a special committee meeting and where they will be joined by Rev. R. H. Bowling, the pastor of the Butte Street Baptist Church of Norfolk, Va. As it is stated that this committee was appointed at the last session of the National Baptist Convention held in Atlanta, Ga., and that they will hold their first meeting, having been called by President Jones in the nation's capital.

The personnel of the committee is Revs. Elbert W. Moore, of Columbus, Ohio; J. C. Austin, of Pittsburgh, Pa.; R. H. Bowling, of Norfolk, Va.; Henry A. Boyd, Nashville, Tenn.; and E. P. Jones, Vicksburg, Miss. A more extensive missionary operation directly under the guidance of the convention in its spread of the gospel on home and foreign fields with its educational and women's auxiliary features, is said to be the real work of this committee.

The Baptist forces of this state are planning to give President Jones a great reception, notwithstanding he will only remain over Sunday and will leave early Monday morning. Rev. Mr. Boyd stated that President Jones will arrive from Memphis at an early hour Sunday morning.

SUMNER HIGH MEETS FIRST DEFEAT IN NINE YEARS.

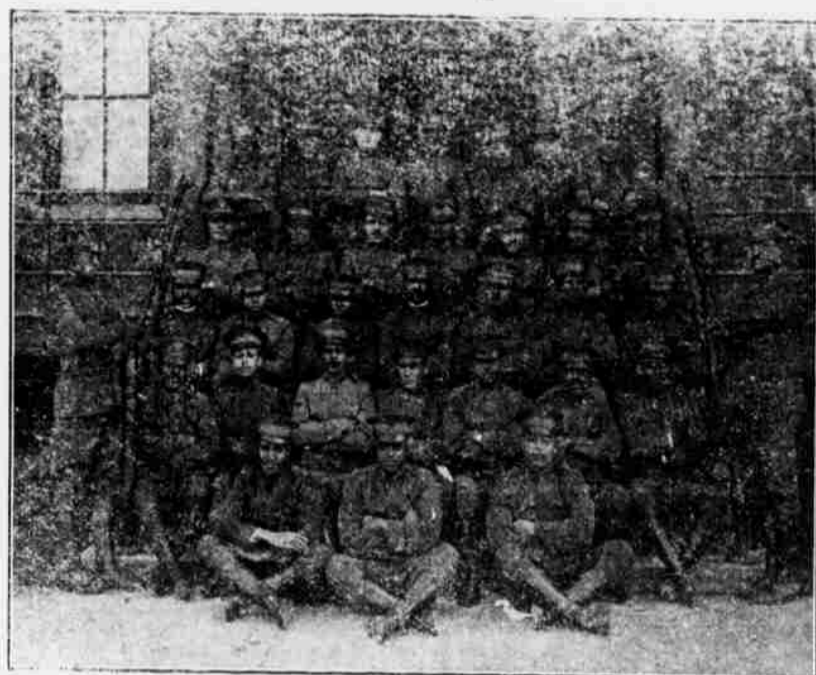

Sumner High School of this city was decisively defeated here last Saturday, November 3, by the foot ball aggregation of Lincoln High of East St. Louis, Ill., by the score of 18 to 7. This is the first time since 1878 that Sumner has experienced in nine years. It is also the first time in the history of the two schools that Lincoln has emerged from the conflict as victor. The game was especially impressive in that there was only one penalty imposed throughout the game. Mr. Pinkett, coach of Sumner, is making ample preparations to lock horns with the High school from Kansas City on Turkey Day while Mr. Jackson, coach of Lincoln, East St. Louis, is whittling his victorious warriors into condition for the final conflict with the Douglas High School of Columbia, Mo. It will be remembered that Mr. Jackson was for a number of years a member of the faculty of Roger Williams University and was very prominent in athletic circles in Nashville.

MRS. RHENA HAMILTON DEAD.

Mrs. Rhena Hamilton passed away at eight o'clock Tuesday night at her home on Hiles street. The cause of her death was reported to be diabetes. Mrs. Hamilton has been ill for more than two years but up to several weeks ago was regarded as recovered. Her death was a great loss to her family. Mrs. Hamilton was the wife of Mr. O. Hamilton, for many years a well known business man, and the mother of Mrs. Katie Jackson. Up to a late hour Wednesday it had not been definitely decided upon about the funeral as she has a sister in Louisville, relatives in Toledo, Ohio, Chicago and in Panama, as she was related to Mrs. R. H. Thiborne, now located in Ancon, Canal Zone, Panama.

Miss Alberta Davis left the city this week for Texas. She goes direct to Brenham where she is to participate in the wedding of her brother, Dr. Davis, that is to take place in that city. Miss Davis will then go with the bride party to the home of the bride and groom at Corsicana. It is expected that she will spend at least a month visiting in the state as she has a host of relatives there, former students here in Nashville.

Meharry Men Respond to Call--Many in the Camps.

The above cut represents most of our Meharry men at Ft. Des Moines, Ia.

Each week distinguished persons visit our campus and inspect our school. They usually come unannounced and therefore find us in our usual working mood. The week just passed the twin brothers, James E. and Wm. R. Brown, both D. D. S., of Birmingham, Ala., visited their alma mater. They both have been commissioned first lieutenants, having served at the camp, Fort Des Moines, Iowa. They have closed their offices in Birmingham and are en route to their field of action, decided to call on the president and again review the scenes of their school days.

NEGRO TROOPS FIGHT BRAVELY IN FRANCE.

Somalis Make Good Record in a Number of Fights on Western Front.

French Front, Oct. 5.—(By Mail.)—Two hundred and sixty-four personal citations for bravery have been won by the Negro soldiers of a single Somali battalion since it landed in France in June, 1916. Of these citations 190 were valuable advances in the line in the vicinity of the Aisne and the remainder in the neighborhood of Verdun.

The Somalis, many of whom were recruited in British Somaliland, are very independent in character and find the discipline of an organized army very severe. Their French officers, however, are accustomed to deal with these freedom loving tribesmen and by appealing to their pride of race and their self-respect obtain their devoted obedience to such an extent that they rapidly become excellent soldiers. These men are to handle modern infantry weapons quickly and furnish many specialists in the grenade throwing, rifle and machine gun sections of French regiments, for the men are of very high intelligence and are full of natural initiative—very valuable advances in these branches of fighting while at hand grenade throwing they are second to none in the army.

Meticulously clean of habit, the Somalis, who are strict Mohammedans, never touch wine or alcohol. They look upon any man given to intoxication with the greatest disdain. They are self-sacrificing to a degree, as was evidenced during their attack on La Bolelle, when they had to clear out the shelters in a trench which they had just captured, and which were still full of Germans who had taken refuge there from bombardment. One of their European sergeants was about to enter a dugout known to be full of armed enemies when he was pushed aside by a Somali private with the exclamation, "let me go first. You are a married man."

A widely prevalent fallacy has charged the Negro with savagery against their captives. Their officers say this charge has been disproved time and again after fights at Verdun, in Champagne and north of the Aisne. The Associated Press correspondent saw Negro troops bringing in batches of prisoners after a battle at La Bolelle, when a French artilleryman approached them to take one of the prisoners' shoulderstraps as a souvenir. One of the Negro escorts, however, became indignant and shouted:

"Over there in the trenches you might have taken one, but now that the Germans are prisoners they must be treated like women and protected." And the artilleryman had to go away without his souvenir.—Exchange.

MRS. RUTH MCKINNEY-CROSBY APPOINTED.

The friends of Mrs. Ruth McKinney-Crosby are congratulating her upon her recent appointment as Supervisor of Music, Writing and Drawing in the city schools of Fort Worth, Texas. Information of this appointment has just reached the city. Mrs. Crosby for a number of years was connected with the National Baptist Publishing Board, but was afterwards married to Dr. Crosby, a graduate of Meharry Medical College. They located at Fort Worth. Mrs. Crosby since going to Texas has been very active in the music of the various churches, and easily took first rank in the busy city of Fort Worth as authority on music. It is said that it was her ability displayed with the various denominations in their church life at Fort Worth that gave her the splendid rating with the Board of Education, and the splendid appointment, as it is thought, here that the Educational Board wanted only church folk to direct the singing of the music by the pupils of its schools. In addition to the duties as director of music, she will direct drawing and writing.

THE RIGHT

Taken from Cities To Compel Separation of Whites and Blacks—Ordinance in Louisville Held To Be Invalid After Being Argued Thrice in Supreme Court.

Washington, November 5. Special to the Globe.—A temporary separation of the Negro and white races in residential districts is a violation of the constitution, the Supreme Court held to-day, reversing an opinion of the circuit court at Louisville (Ky.) given yesterday.

The measure, which prohibited persons of either race moving into blocks in which a majority of residents were of the opposite color, is similar to ordinances now in effect in St. Louis, Baltimore, Richmond and many other Southern cities.

Such laws, the Court decided, would not prevent the amalgamation of the races, as was claimed by the Louisville authorities, or prevent race conflicts.

"Desirable as this is and important as is the preservation of the public peace," said the opinion, "this aim cannot be accomplished by laws or ordinances which deny rights created or protected by the Federal constitution."

Laws provided for the separation of races in public conveyances and in the public schools where equal privileges are given, the Court pointed out, have been upheld, but it asserted that such legislation must have its where the exercise of authority exultations and cannot be sustained where the restraint of the constitution.

The Court's action was a reversal

GRAND MASTER MOORE SPEAKS TO ODD FELLOWS—OUTLINES PLANS FOR GOOD OF ORDER— NEW ENDOWMENT FEATURE FAVORED.

L. C. Moore, of Memphis, Tennessee, D. G. M. of the G. U. O. of O. F., who is touring the state in the interest of the endowment department of the order, spoke to a large crowd of Odd Fellows and Rubites at Jackson, Tennessee, Monday night and Wednesday night to a large crowd in Nashville. In both cities the plan was adopted by its members.

Grand Master Moore presented and explained the plan in the most simple manner; he said the plan as adopted by the D. G. L. was as follows:

CASS A—\$200, premium \$1.80 per year; CASS B—\$150, premium, \$2.50 per year. He said he regarded this as one among the best investments one could make in order to save something for his family.

He said that the Odd Fellows must meet competition, with all of the other orders in the state carrying a death benefit the Odd Fellows could not live and do less. What have we to offer a young man to come into the order if we fail to adopt the endowment plan? He said we find that those who are opposing the plan are members who belong to other orders who claim that they have all that they can carry, but that is fair to the order, and the brothers who are not carrying anything in other orders, to rob the order and their families of their benefit because you are in something else.

He said the salvation of the Odd Fellows or of the order in this state lies in the adoption of the plan. For every thoughtful man wanted to leave something for his loved ones when he is gone.

Rev. Preston Taylor of Nashville, chairman of the meeting also spoke, and urged the brothers to adopt the plan. Prof. W. D. Hawkins, W. W.

MR. L. C. MOORE.

of Memphis, Tenn., District Grand Master Odd Fellows of Tennessee, who was here this week.

Williams, Attorney Grant and others responded to the address of the Grand Master, who also urged upon the brothers to adopt the plan. The ladies were urged also to assist in having the plan adopted. In having this plan adopted as it was for their benefit. Many sisters spoke on the plan and made many queries which were answered satisfactorily.

Out of the nine (9) lodges in Nashville, seven (7) lodges were represented at the meeting. Upon a rising vote they all stood as a man upon adoption of the plan. Grand Master Moore was well pleased with the result of the meeting.

GRAND MASTER L. C. MOORE.

For the first time since his election to office, Mr. L. C. Moore, the Grand Master of the Odd Fellows made his official visit to Nashville this week. Grand Master Moore, as he is now termed, was elected at the last session of the Grand Lodge held in Memphis. He made an address before the lodge in Nashville on Tuesday night at the Odd Fellows' Hall. Representatives from the subordinate lodges throughout the city took advantage of this occasion to hear the new message of the order who came with the message of rejuvenation for the state grand lodge. While this visit of the grand Master is significant of its official connection it is not his first visit to Nashville as he was here during the summer with the Pythian Grand Lodge, being an active Pythian as well as a member of the Independent Order of Immaculates. In his home town Mr. Moore is one of the best known men in the city. Whatever pertains to Memphis has interested Mr. Moore and it is predicted by the Odd Fellows that his administration will show wonderful progress as already new plans are in operation for greater activities.

of the lower Court, which held the ordinance to be a reasonable exercise of the state police powers. The ordinance was enacted in 1914 and the case was argued twice in the Supreme Court.
